

ALTAMAS ANSARI

Software Developer | BCA Student

6393073994 | altamas1012@gmail.com

[linkedin.com/in/altamasansari](https://www.linkedin.com/in/altamasansari)

PROFILE

BCA second-year student focused on software and web development. Hands-on practice with HTML, CSS, JavaScript, Java, C/C++, Python and modern web technologies. Interested in building responsive, user-friendly applications and continuously improving programming and problem-solving skills.

TECHNICAL SKILLS

Programming	C, C++, Java, Python, JavaScript
Web Development	HTML5, CSS3, JavaScript, React, Node.js, Tailwind CSS
Frontend	Responsive Design, Flexbox, CSS Grid, DOM, Fetch API, Promises
Database	MySQL
Tools	VS Code, Live Server, Git/GitHub concepts
Other	LocalStorage, Form Validation, Dark/Light Mode, REST/API basics

PROJECTS

Personal Portfolio Website

Designed and developed a responsive personal portfolio using HTML and CSS, focusing on layouts, background images, Grid/Flexbox and responsive design.

Contact / Card Management UI

Built a JavaScript interface for creating and displaying contact cards with form validation, categories, filtering and dynamic DOM manipulation.

Todo & LocalStorage Projects

Practiced CRUD-style interactions and browser data persistence using JavaScript and LocalStorage, along with dark/light mode functionality.

EDUCATION

Bachelor of Computer Applications (BCA)

Mahatma Gandhi Kashi Vidyapith (MGKVP)

CGPA: 8.3

2nd Year

CURRENT LEARNING

Data Structures & Algorithms • Advanced JavaScript • React • Node.js • Database concepts • Cloud Computing fundamentals

CAREER OBJECTIVE

To start a career as a Software Developer where I can apply my programming and web development skills, work on real-world projects, learn from experienced professionals and contribute to meaningful software solutions.
